

Follow The Battle Plan

If you missed last week, a picture is worth a billion words:

1 Peter 2:4-10, Hebrews 4:14-16, Revelation 4-5

Two problems with Christianity:

1 Peter 2:11-12, Romans 7:15-8:17, John 15:18-25, Luke 6:22-23

- ❶ If we aren't battling our **sinful desires**...they've **won**.
- ❷ Christianity will always have **a bad reputation**.

One answer to both problems:

- ❶ It all comes down to **how we live**.

Our actions will:

- ✓ Silence **our critics**.
- ✓ Point **people to God**.
- ✓ Bring people **into the family**.

Taking it home:

Romans 13:1-7, 1 Timothy 2:1-2, Matthew 22:17-21

- ▶ The Christian army doesn't kill **its enemies**,
it wins **them over**.

- ▶ It is ok to tear apart **a policy**, never **a person**!
