In what ways can a greater understanding of God's absolute power help you increase your trust him and his perfect timing?

2. When we experience one of those times where God's plan isn't making sense, we can wonder if God is even present with us. What hope does Psalm 46 give you even though it may seem like God is not present in the midst of life's difficulties?

How can God's care and faithfulness affect how you live life on a daily basis?

3. Larry mentioned 5 things we're to remember when God's plan makes no sense. Which of those is most important for you to remember?
